On-Site Professional Computer Cleaning
PO Box 769
Crossfield, Alberta
T0M 0S0

Dear Sir or Madam,

We have been having our office equipment cleaned by On-Site for years and would highly recommend them.

They do a really good job of making our equipment look new!

Their employees are great, always on time, professional, courteous and they do their best to ensure as little interruption as possible when cleaning our computers and office equipment.

Yours truly,

TSE STEEL LTD.

Cathy Schilman
